

EOS Power India Appoints Director of Sales – Central Europe

Mumbai - India, April 2nd, 2013

EOS Power India Pvt. Ltd., the leading seller of ultra miniature, high efficiency Power Supplies, Value Added power solutions and EMS Power Services announced today it has appointed Henry Mueller as the new Director of Sales for Central Europe.

Henry has worked in the power electronics industry for many years and will be a great addition to the EOS sales management team. Henry has great technical and commercial knowledge which will allow existing and new customers receive fast and accurate responses to their enquiries and give our Central European business added focus and impetus in the coming years.

“The addition of Henry Mueller to the global EOS sales team is the first step in our planned expansion of resources, capabilities and infrastructure” said David Carley, VP of Global Sales and Marketing. “The power electronics business is extremely competitive, adding knowledge and experience to your business is as important as adding products. Henry will be a great asset to EOS Power, its customers and channels”

EOS Power India Pvt. Ltd. is growing rapidly and is contracting expertise to meet the increasing requirements of its global customer base. The EOS strategy of designing flexible low to medium power product platforms that enable fast Modifications, Value Added Designs and Customization is fueling this fast growth.
