Ratings 4.0A (max.), 100-240Vac, 50-60Hz

Trade mark 

Model / Type Ref. VLT150-ZXXXYY

Principal characteristics Cl. I, Output voltages remain between 3.3Vdc to 48Vdc  
The Z may be a 1 or 4 denoting the number of different output voltages. X can be any number from 0 to 9 and Y can be any alphanumeric character or blank, all denoting minor output variation and/or minor SELV circuit variations, not affecting safety. All models may have an additional "LF" prefix that indicates ROHS compliance.  
 See next page(s)

A sample of the product was tested and found to be in conformity with OFF EN 60950-1:2006;A11;A1

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemkos name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.  
New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

## Additional information

 See next page(s)

The abovementioned certified equipment complies with current regulatory requirements regarding electrical safety in Norway and other EU/EEA member states, as far as this can be checked. Compliance with requirements regarding building-in, protection against electric shock and Electromagnetic Compatibility (EMC) must be checked when the equipment is built-in a completed product or forms a part of a complete system.
